## **In-custody Death of an Inmate from the Intake Release Center**

**SANTA ANA, Ca. (April 8, 2025)** – On Tuesday, April 8, 2025, an inmate who was housed at the Intake Release Center in Santa Ana died.

The 42-year-old inmate was booked by the Anaheim Police Department on April 07, 2025, for PC 3056 - Parole Violation. The inmate's name is being withheld pending notification of next of kin by the Orange County Coroner's Division.

On Tuesday, April 08, 2025, the inmate was found unresponsive alone in his cell at the Intake Release Center in Module J. Deputies and correctional medical staff attempted life-saving measures. The inmate was transported via ambulance to a local area hospital where he was pronounced deceased. A final cause of death will be determined following an independent autopsy and toxicology.

The Orange County District Attorney's Office will investigate the in-custody death. The Orange County Sheriff's Department will conduct an in-custody death review. No additional information will be released at this time.
