1055.1 PURPOSE

The purpose of this policy is to define the process for creating and approving social media accounts related to the Orange County Sheriff's Department, as well as to provide guidelines for branding, content, and administration of those accounts. This policy shall ensure a unified brand in the realm of social media that is consistent with the Orange County Sheriff's Department mission and purpose.

This policy is not intended to interfere with the rights of Members of the Orange County Sheriff's Department to form, join, and participate in the activities of recognized Member organizations of their own choosing for the purpose of representation on all matters of employee-employer relations or to refrain from such activities. It is also not intended to interfere with, restrain, or prevent Member communications regarding wages, hours, or other terms and conditions of employment.

For policy regarding personal social media accounts, refer to Policy 1058.

1055.2 MISSION

The Orange County Sheriff's Department seeks to create a dynamic virtual online community that embodies our core values: integrity without compromise, service above self, professionalism in the performance of duty, and vigilance in safeguarding the community. The Orange County Sheriff's Department welcomes positive engagement that seeks to inform and educate the public.

1055.3 AUTHORIZED AND UNAUTHORIZED SOCIAL MEDIA ACCOUNTS

1055.3.1 PRIMARY ACCOUNTS

A primary social media account refers to any authorized account that posts on behalf of the entire Orange County Sheriff's Department. This is currently limited to accounts representing the entire Department. Primary accounts must be authorized by the Public Affairs and Community Engagement Division (PACE). The PACE Division will create the accounts to ensure branding alignment. The PACE Division must be included as an administrator and provided with account passwords. The PACE Division also reserves the right to determine whether or not a social media account qualifies as primary.

1055.3.2 SECONDARY ACCOUNTS

A secondary social media account refers to any authorized account that does not post on behalf of the entire Orange County Sheriff's Department. This includes any account that may represent groups, individuals, or canines within the OCSD community, but are not regularly administered by the PACE Division. These accounts must adhere to the overall mission of the Department while providing a subgroup community to share content (e.g. Contract city police services of OCSD). Secondary accounts also must be authorized by the PACE Division and follow the guidelines for secondary accounts in order to protect the integrity of the OCSD brand. The PACE Division also

reserves the right to determine whether or not a social media account qualifies as secondary. The PACE Division will be the account administrator, will determine and approve additional OCSD Members as administrators, and will not be removed as an administrator. The PACE Division will be provided with password information for all secondary accounts, and reserves the right to edit and delete posts, and/or terminate secondary accounts.

1055.3.3 UNAUTHORIZED ACCOUNTS

An unauthorized social media account refers to any account creating content related to OCSD which has not been authorized by the PACE Division to post publicly on behalf of the Orange County Sheriff's Department. Such unauthorized accounts, may include, but do not have to include, actual misrepresentation of OCSD through branding, content, administration, etc. The existence of an unauthorized account may or may not be known to the PACE Division (e.g. Retired OCSD personnel groups, supporters of OCSD, law enforcement watchdog groups, etc.). Anyone who discovers an unauthorized account is encouraged to alert the PACE Division. The PACE Division will work to determine what steps to be taken, if any.

Social media accounts created by recognized Member organizations are not considered unauthorized accounts.

1055.4 CREATING AND APPROVING ACCOUNTS

The PACE Division will set up approved accounts to ensure branding alignment. Once an account is approved, the administrators must meet with the Public Affairs team for a training session. During the training session, the Public Affairs team will provide counseling regarding setting up the account, branding, creating a content calendar, photo guidelines, rules of engagement and more.

If a secondary account currently exists, the Department Member will contact the PACE Division and provide them with the name of the account, a brief history of why it was started, when it was started, what it hopes to accomplish, and the names of administrators and passwords. The PACE Division will review the account and decide if the account needs to be deleted or changed to adhere to this policy.

All accounts will be created and maintained with a PACE Division approved email account. The PACE Division will maintain a list of official primary and secondary accounts, as well as, recommended and approved social media platforms.
