#### 4000.2 DOCUMENTATION

(a) Work Station Log

1. All Guard Station and Module staff will maintain a 24-hour daily log. The information on the log will include but is not limited to:
  - i. Name of the assigned staff for each shift
  - ii. Date and shift times
  - iii. Time, number, and status of counts
  - iv. Time and schedule of chow hall.
  - v. Incidents, title and report numbers
  - vi. Safety check times and observations.
  - vii. Other information pertinent to the shift

(b) Safety Check Log

1. For more information on documentation of safety checks, refer to OCSD Policy Manual (Lexipol) Section 902 – Inmate Safety Checks.

#### 4000.3 RECEIVING INMATES

- (a) The Second Floor Guard Station staff will coordinate incoming inmate movement with the Intake Release Center (IRC) Second Floor Guard Station staff.
- (b) After being searched, inmates will go to the Third or Fourth Floor Guard Station from the Second Floor Guard Station. The inmates will be escorted by a Deputy.
- (c) Each guard station will process new inmates according to procedures as outlined their respective policy sections.
- (d) The module staff will review the inmate's module card and identification card to ensure the inmate has arrived at the assigned module. If the inmate cannot be housed in the module as assigned by Classification staff, classification level, no open bunk), the module staff will contact classification staff for a housing assignment.
- (e) The cell and bunk assignment will be made and entered into JMS by Classification staff based upon available space and the inmate's compatibility with other inmates. Compatible inmates may be assigned to the same tank.
  1. Classification staff will write the date, tank, cell, and bunk assignment on the mod card.
  2. The mod card will then be placed in the mod cardholder.
- (f) The Module Deputy will provide the new inmate with full jail issued bedding, refer to CCOM Section 1600.2(g) – Orange County Jail Rules.
- (g) The inmate will be informed of where the jail rules are posted.

- (h) Inmates newly received into custody or who have been in custody less than four days may be provided the following hygiene items by a supply maintained in the module office.
  - 1. 1 toothbrush
  - 2. 1 disposable razor
  - 3. 1 comb
  - i. Inmates in custody four (4) days or longer will be required to purchase these items from commissary or receive them in a welfare pack if they are indigent.
- (i) The module staff will direct the inmate to the assigned area after having conducted a search of the inmate and his personal effects. Visual cell checks by module staff.

#### 4000.4 COURT PREPARATION

- (a) The midnight court Deputy will deliver a copy of the court roster to each module.
- (b) The module staff will examine the roster to determine if all listed inmates are actually housed in the module.
  - 1. Listed inmates not in the module must be located by the module staff. The court information must then be relayed to the staff at the inmate's actual location in order to have the inmate prepared to make the court appearance on time.
- (c) The module staff will then prepare the correct number of colored cards to be placed on the module cards of the inmates.
- (d) Inmates going to court must be dressed in a full issue of jail clothing. The module staff will ensure that inmates are properly dressed prior to leaving the module.
- (e) For allowable items at court, refer to CCOM Section 1600.2(o) – Court.
- (f) Inmates claiming to be due for a court appearance, who are not on the list will require the module staff to check with Inmate Records.
  - 1. The staff will request a careful check of records in order to prevent an "over detention" which could jeopardize prosecution and subject the County to liability.
- (g) Module staff will ensure that Specialty Housing inmates are not placed in the module vestibule until after all the other court inmates have departed the module.

#### 4000.5 INMATE MEALS

- (e) The Guard Station staff will be responsible for the visual control of inmate movement to and from the chow hall.

1. The Guard Station staff will arrange the release of inmates from housing areas in such a manner as to maintain a continuous flow through the serving line.
2. The Guard Station staff coordinating chow hall movement will notify any other Guard Station staff when movement is required to or from their floor.
  - i. The floor guard station staff will call the Module staff and advise when to send the tank or group of inmates to the chow hall. The Module staff will utilize security procedures regarding mass inmate movement at all times.
  - ii. When the tank or group of inmates has completed their meal and has been excused from the chow hall, the guard station staff will call the module staff advising the tank or group of inmates is returning. The Module staff will open the vestibule door and allow the inmates return to their assigned housing location.

- (f) In-Cell Feeding

1. When inmates are fed on an in-cell basis, the Guard Station staff will call the Module staff for a count of meals required.
2. When the in-cell meals have been prepared, a Prowler Deputy and two inmate workers, wearing proper hats and plastic gloves will deliver the meals to each inmate. The Prowler Deputy will assure that each meal is complete and the service carts are kept at the proper temperature during the entire serving process. The module staff will document on the 24 hour Log the time in-cell meals are delivered to inmates.
3. At the completion of the meal, the assigned tank area sweeper or inmate worker will collect any serving trays and sweep up all trash generated from the meal. The module staff will document on the 24 hour log the time in-cell trays are collected. The serving trays will then be counted and immediately returned to the kitchen.
4. All special diets will be approved by the Medical Staff prior to informing the kitchen to prepare them. The Prowler Deputy will assure that all special diets are delivered to the proper inmate.

- (c) Anytime a staff member escorts any number of inmates, an accurate headcount of all inmates shall be made before, during and upon completion of the escort. The staff member shall maintain direct visual contact at all times during the escort. If the staff member must engage in a task during the escort that will interrupt their direct visual supervision of the inmate(s) (e.g., unlocking doors, retrieving documents, etc.), an additional staff member must be present to maintain direct visual supervision until all inmates are secured and accounted for.

#### 4000.8 RECREATION

- (a) Dayroom
  1. For more information about dayrooms, refer to CCOM Section 2006.1(b) – Dayrooms and CCOM Section 1600.2(k) – Dayrooms/Recreation Areas.
- (b) Outdoor Recreation
  1. Outdoor recreation will take place in the roof recreation area. After being advised by the Guard Station, the Module staff will announce scheduled roof recreation to inmates over the P.A. system. The schedule will rotate giving inmates a variety of times in which to recreate. Only compatible inmates will be allowed into the recreation area together.
  2. The housing guard station staff will direct movement of inmates to and from the roof recreation area with coordination through the roof guard station. The housing guard station staff will ensure that all inmates have been searched prior to movement to the roof.

#### 4000.9 VISITING

- (a) The Module staff will become aware of a pending visit when the Visiting or Attorney/Bonds Guard Station staff calls or sends a pass to the module.
- (b) The Module staff will determine if the inmate is available for a visit. The module staff will quickly inform the Visiting or Attorney/Bonds staff of an inmate's unavailability and the expected duration.
- (c) Inmates will be notified over the public address system of the visit. Inmates will be instructed to be dressed in full jail issue for the visit.
- (d) Module staff will not require inmates to participate in visits. Inmates may refuse any public or official visit.
- (e) Booth assignments are made by the Attorney/Bonds or Visiting Deputy. Changes made by the Module staff, for the good order and efficiency of the modules operation,

#### 4000.12 LINE-UP PROCEDURE

- (a) The purpose of a physical line-up is to present to the witness of a crime six subjects with similar physical characteristics and to request these witnesses to identify the suspect, if the suspect is present. Although the witnesses are not told, the line will contain one inmate who has been arrested for the specific crime affecting them.
- (b) Line-ups are requested by the District Attorney's office or police agencies and sometimes immediately after booking in order to obtain a complaint. The court also orders line-ups at the request of either the prosecutor or the defense.
- (c) Selecting the Line-up
  - 1. Forms listing the day and time of scheduled line-ups and involved suspects are received by the Operations Sergeant from Investigations. The Operations Sergeant assigns a Deputy to select the participants.
- (d) Suspect Refuses to Participate
- (e) Fill-in Refuses to Cooperate
  - 1. Whenever an inmate, other than the suspect, expresses an unwillingness to cooperate, notify the Operations Sergeant immediately. The inmate will be advised of the consequences for "Failure to Obey a Directive." Voluntary compliance will be attempted.
  - 2. Inmates who continue to refuse to cooperate will be segregated from other participants at once and a report will be written charging "Failure to Obey a Directive".
  - 3. No special privilege or reward is to be promised to any inmate for participation in a line-up.

#### 4000.13 2ND GUARD STATION

The Second Floor Guard Station will direct and coordinate the functions of the second floor, as well as directing and coordinating inmate movement between the Central Men's Jail and the Intake Release Center.

- (a) Supervision
  - 1. Guard Station staff will receive direction and supervision from the Operations Sergeant.
  - 2. The Second Floor Guard Station staff will direct certain housing activities scheduled or spontaneous, with prior approval of and in the absence of the Operations Sergeant.

4. No staff other than law enforcement personnel (Deputies, SSO's, CSA's) will be allowed routine movement through the second floor tunnel without an escort.
  - i. Exceptions may be permitted in special circumstances (i.e. movement of oversized equipment, medical emergencies, etc.) provided the security of the facility and staff is not compromised. In these instances the Central Men's Jail Second Guard Station and the IRC Housing Guard Station must cease all inmate movement through the tunnel, verify the tunnel is clear, and remain in constant communication while the staff member proceeds through the tunnel.
- (d) Intake of Inmates from the IRC
  1. The Second Floor Guard Station staff will coordinate incoming inmate movement with the IRC Second Floor Guard Station staff.
  2. No inmate movement will be initiated from the IRC to the Central Men's Jail without notification of the Central Men's Jail Second Floor Guard Station staff.
    - i. The Guard Station staff may request inmate movement be held. This may be prudent during disturbances, medical emergencies, inmate counts, shift change, or any other time security staff is unavailable.
  3. All incoming inmates from the IRC will be under as escort or possess either a movement pass or their module card.
  4. The Second Floor Guard Station staff will review the module cards for completeness, accuracy, and verify the identity of each inmate, utilizing the photograph and other information on the Module Card.
  5. Any discrepancies in the Module Cards will be reported to the IRC Second Floor Guard Station or Classification staff. No inmates will be accepted into the Central Men's Jail until the discrepancy has been resolved.
  6. All inmates transferred to the Central Men's Jail will be accurately accounted for. This will be accomplished by use of the Facility Master Inmate Movement log.
    - i. When inmates are received from the IRC, the following should be done immediately:
      - A. Enter inmate's full name (last name first)
      - B. Booking Number
      - C. Enter the time the inmate was received.
      - D. Where the inmate is going (A, B, C, D, E, F, O, or R).
      - E. Add the total number of inmates received to the previous count for running total.
  7. The Second Floor Guard Station staff will direct the inmates to their pre-assigned housing area.
  8. Module Cards will be carried to the appropriate housing locations by Prowler Deputies.

#### **4000.18 MEDICAL PROWLERS**

Central Men's Jail will assign one Medical Prowler to each of the following locations: Second Floor, Third Floor, and Fourth Floor.

##### Medical Prowler Responsibilities:

- (a) CHS staff will provide Second Housing Guard Station medical passes for all inmates who need to be seen by CHS. The Medical Prowlers will pick up the medical passes from Second Housing Guard Station for their assigned floor and distribute the passes to the appropriate housing locations at the start of their shift. The Medical Prowlers will be responsible for coordinating all inmate movement to and from medical areas.
  - 1. At no time will the Second Floor Medical Prowler position run vacant. The Operations Sergeant will assign a Shift Relief Deputy or other position as needed to staff the Second Floor Medical Prowler position.
- (b) The Medical Prowlers will receive supervision from a Sergeant.
- (c) The Medical Prowlers will make frequent checks of all medical spaces in their assigned areas located outside the housing modules, including the restrooms and closets and inspect security devices and security items (medical equipment, keys, etc.).
- (d) The Medical Prowlers will be assigned to work with medical staff who will have the responsibility of medical observation of the inmates.
- (e) Span of Control:
  - 1. The Second Floor Medical Prowler is responsible for all inmate supervision and security in the Second-Floor medical area.
  - 2. The Third and Fourth Floor Medical Prowlers are responsible for all inmate supervision and security in their floor's medical area.
- (f) Medical Waiting Area: The Second Floor Medical Prowler will periodically check the Medical Waiting Area to ensure security and compliance with jail rules and regulations applicable to that location.
- (g) The Medical Prowlers may assist in other areas, as directed by their Sergeant, when there are no inmates present in the medical area.
