

## Flood Procedures

### 2606.1 NOTIFICATION OF A FLOOD CONDITION

In the event of flood conditions, emergency procedures will be employed to ensure the safety and protection of staff and inmates. Should the facility become uninhabitable, inmates and staff will be moved to a safe location.

- (a) The County of Orange Emergency Operations Center (EOC) will be activated and staffed prior to a dam burst/flood condition.
- (b) A Sheriff's Department staff member will be in the EOC to liaison for the department.
- (c) Reports on flood conditions will be periodically made to the Patrol and Jail Watch Commanders.
- (d) See facility specific appendix for existing flood damage estimates.

### 2606.2 FACILITY PROTECTION

- (a) Outside the Facility
  - 1. Inmate work crews may be assigned from Theo Lacy Facility (TLF) or the James A. Musick Facility (JAMF) to build temporary flood barriers around doors.
- (b) Inside the Facility
  - 1. Inmate work crews will be assigned to control seepage into the building.
  - 2. Staff and work crews will ensure that drains remain open and continue to work as intended.

### 2606.3 MOVEMENT OF INMATES IN THE FACILITY

- (a) The Division Commander will determine if inmates will be moved in the facility.
- (b) Relocation of inmates will be decided by the Division Commander based upon available space, inmate classification, and other facility activity.
- (c) Alternate facilities and means of transporting the inmates will be considered only if the facility becomes uninhabitable or is declared unfit by the County Health Officer.
