

Vice Conditions

313.1 PURPOSE AND SCOPE

It shall be the policy of the Department that an arrest shall be made in all instances wherein the deputy has reasonable cause to believe the suspect has committed a violation of any law or ordinance pertaining to vice where there is sufficient evidence to warrant an arrest. If deputies personally observe such violations, they should proceed as in any other observed crime.

If deputies receive information or suspect vice conditions exist, they shall gather all information possible, without becoming obvious to the suspects, and make a full written report of the conditions to their superior. If it appears the matter requires immediate attention, deputies should contact a superior immediately for instructions. In any event, deputies shall write a full and complete report of the findings or investigation.

It shall be the responsibility of every Member who receives information concerning vice conditions to report the same through their superior.
