

ORANGE COUNTY SHERIFF'S DEPARTMENT CALIFORNIA CORONER TRAINING CENTER

TRAINING COURSE ANNOUNCEMENT

Basic Autopsy Technician Training Course

POST Control # 2060-31214-25-02

This 24-hour introductory autopsy technician training course is to equip individuals with the necessary knowledge and skills to effectively support coroners, medical examiners, and other professionals involved in investigating and determining the cause and manner of death. Autopsy technicians play a crucial role in collecting, preserving, and analyzing evidence related to deaths that fall under the jurisdiction of the Coroner/Medical Examiner offices. This course will cover topics related to death investigation, autopsy techniques, anatomy, physiology, wound recognition, decedent management, identification, evidence collection, and mental/ physical health related to the autopsy technician.
